Sunil Sharma

Chief Executive Officer, HawksCode

Sunil Sharma is a dynamic and visionary leader in the global IT industry with over a decade of experience in corporate leadership and technological innovation. As the founder and CEO of HawksCode, he has been instrumental in shaping the landscape of enterprise software development and digital transformation since 2012.

Professional Overview

Sunil's journey in technology began with a strong foundation in Computer Science Engineering. His career has been marked by a series of innovative ventures and strategic leadership roles, culminating in the establishment of HawksCode, a multinational IT company renowned for delivering cutting-edge solutions to enterprises worldwide.

Under Sunil's guidance, HawksCode has evolved into a powerhouse of technological innovation, specializing in:

- Custom Software Development
- Mobile Applications
- Blockchain Solutions
- Artificial Intelligence and Machine Learning
- IT Consulting and Digital Transformation

Visionary Leadership

Sunil's leadership extends beyond HawksCode. He has successfully launched and led several groundbreaking initiatives:

1. **EasyShiksha**: A pioneering educational technology platform that has redefined online learning accessibility.
2. **The National TV**: A digital media venture launched in 2019, aimed at revolutionizing news dissemination and consumption in the digital age.

His forward-thinking approach and ability to identify emerging trends have positioned him at the forefront of technological advancement and digital innovation.

Industry Recognition

Recognized as one of "The 10 Best Education Influencers in India" in 2020, Sunil has established himself as a thought leader in the intersection of technology and education. His insights and expertise are frequently sought after in industry forums and publications.

Leadership Philosophy

Sunil's leadership is guided by his commitment to excellence and his philosophy of **"Educate • Motivate • Inspire."** He believes in harnessing the power of technology to create transformative solutions that drive business value and societal progress.

Global Impact

With a global perspective and a deep understanding of diverse market needs, Sunil has led HawksCode in successfully delivering projects across various industries and geographical boundaries. His expertise in bridging technological capabilities with business objectives has made him a trusted advisor to corporations undergoing digital transformation.

Sunil Sharma continues to push the boundaries of innovation, leading HawksCode and its associated ventures towards new horizons in the ever-evolving world of technology and digital services.
